ANNOUNCEMENT: LOCAL 4201 BY-LAWS

The vote on the Local 4201 By-Laws has been counted. The results are 158-0 in favor. The By-Laws are now adopted, and we can proceed with elections for officers. We will be sending out information on that election soon.

Thanks for all the work you did in drafting the By-Laws. Cassandra Rosenbach is the Chair of the Election Committee for the purposes of the initial officer elections. Other committee members are Rubin Crespo, Joann Sarantis and Greg Johnson.

We are in the process of finalizing the Nominating Petition and will be sending out information on how members can request a petition as well as a timeline for the nominations and elections in the near future. Thanks to everyone who has helped move this process along.
